VLMS SAC Meeting Minutes 9/25/17	Meeting called to order 6 : 08 pm
Topic	Minutes
Call to Order	Ms. Saunders introduced Ms. Shelton
DAC Report	Ms. Shelton relied that DAC meeting was postponed due to the storm to October.
School Update	Mr. Medeiros stated that 12 school days were lost because of the storm and confirmed that parents had received an email from the district explaining how the school calendar is proposed to be modified to make up for those days. October 16 will be a regular day instead of a teacher duty day. Early dismissal days will be regular days and Dec. 22nd will be an early dismissal day for students. Hurricane make up day will be a regular day. April 2nd will be a full student day as well. A total of 6 days will be made up during the calendar day and a petition will be submitted to the department of education to consider using extra hours during school days to make up for remaining make-up days. There will be a vote next Tuesday to pass these modifications at the School District Board meeting. Collier and Lee Counties are working in conjunction to coordinate similar calendars as one proposal to the State. TESTING: Ms. Shelton explained that due to the storm, all tests have been pushed to a window Oct. 23rd - Nov. 3rd. Reports will arrive later than originally proposed. December testing window was pushed back to last week before the break.
Good of the Order	HURRICANE UPDATE: VLE was a Red Cross shelter during the storm and housed 2,800 people. Several school staff, as well as members of the community volunteered during the time the school functioned as a shelter, and afterwards to help clean up. The school dance and the Disney trip were postponed. A tentative date of February 15th-18th is still awaiting confirmation.Collection of payments was postponed as well.
