All texts in the Scope and Sequence are recommendations and may be replaced at the school's discretion with alternate, grade-level texts that meet B.E.S.T expectations. B.E.S.T. sample texts are highly recommended. [See the B.E.S.T. Sample texts by benchmark.](#) In addition, texts must not be listed on the Intensive Reading Level 2 courses for 9th or 10th grades. In this event, any additional and necessary supportive instructional materials for the replacement text(s) such as bespoke skill lessons, student models/work samples, etc. would need to be sourced and/or developed by the school. [Please see the linked presentation for guidance on how to select appropriate texts.](#)
