

**Attention ALL Algebra Students:**

# **Algebra EOC** **Prep** **ACADEMY**

**4:15 – 5:15pm**  
**Dates and Topics**

Monday, April 8	Session 1: Creating Equations (A-CED)
Wednesday, April 10	Session 2: Reasoning with Equations and Inequalities (A-REI)
Monday, April 15	Session 3: The Real Number System (N-RN)
Wednesday, April 17	Session 4: Structure and Expressions (A-SSE)
Tuesday, April 23	Session 5: Building Functions (F-BF)

**See your Algebra Teacher for more details!**

Wednesday, April 24	Session 6: Interpreting Functions (F-IF)
Monday, April 29	Sessions 7: Arithmetic with Polynomial and Rational Expressions (A-APR)
Tuesday, April 30	Session 8: Linear, Quadratic, and Exponential Functions (F-LE)
Wednesday, May 1	Session 9: Interpreting Data (N-RN)
Thursday, May 2	Session 10: Linear, Quadratic, and Exponential Functions (F-LE)

## **WHY?**

1. High School Graduation Requirement
2. Advanced Placement next year
3. High School GPA
4. Grade in Algebra (EOC is worth 30%)
